

# The Certified Organic Trade Directory

The companies in the following directory are wholesale suppliers except where indicated. While some companies may grow and process their own products, others are in the business of wholesaling only. At the time of print, each company listed was verified as having current organic certification, however there is no guarantee that all of the companies and products below are certified organic. Always request a copy of the company's certificate to verify the integrity of products before purchasing.

## Beverages
