Smart Shiraz wins 'Best Red'

"The Gardners Ground 2008 Shiraz is really smart, quite special with its spicy black pepper aromas over Blackberry flavours. It was awarded the Greg Johnston Trophy for the Best Red Wine of the Region at the 2009 Cowra Wine Show" – Rob Geddes

Y Natural

JULIA JENKINS, KNOWN to viewers of the highly successful Masterchef program on Channel 10, is a fan of Y natural and recently put Y's new ACO certified 703 SOOTHE to good use.

Following a recent incident in the kitchen involving boiling hot stock, Julia was left with serious burns to her chest. Fortunately Julia was lucky enough to have a bottle of Y Soothe Gel on hand which she applied liberally every few hours for the next few weeks. It eased the pain and irritation, it softened the hard skin and it worked to heal the burn itself.

Julia says, "There were blisters, there were scabs and it was awful for a while, but I came out the other end of it décolletage intact, and I have Y to thank for it. I have a small bottle in my bag at all times now, for the inevitable next time my clumsiness gets the better of me."
