I've done a few courses now and this was definitely the most rewarding. Both in terms of the theory and of its practical applications but also your efforts to produce a new kind 'regenerative' thinking. ~ Joel

"Absolutely brilliant course! Very intensive, interesting and applicable to our needs. Could not recommend it higher." ~ Amanda

FOUR INSPIRING WORKSHOPS!

**HOLISTIC
MANAGEMENT**
KIRK GADZIA

Join Kirk Gadzia as he tours Australia & New Zealand exclusively with RegenAG. This workshop module focuses on improving soil health and the biodiversity of rangelands and pastures, increasing grazing and wildlife capacity, increasing annual profits and enhancing livelihoods. Optimal rainfall usage, methods of reversing desertification, increasing food and water security and enhancing family relationships.

AUGUST 2010

VIC (4-6 Aug) **TAS** (9-11 Aug)
QLD (16-18 Aug) / **NSW** (23-25 Aug)

**BIOFERTILE
FARMS**
PAUL TAYLOR & EUGENIO GRAS

This first-ever double bill workshop will change your thinking on off-farm inputs and set you on the path towards healthy productive soil. Demystify the science of soil biology and eliminate costly inputs through nurturing soil life with compost & compost tea. Then boost your farm productivity with simple bio-fertiliser and bio-pesticide recipes brewed from common on-farm materials. Kick superphosphate addiction today.

AUGUST / SEPTEMBER 2010

NZ (25-27 Aug) **QLD** (1-3 Sep) **TAS** (6-8 Sep)
VIC (13-15 Sep) **NSW** (29 Sep - 1 Oct)

**KEYLINE
FARMING**
DARREN J. DOHERTY

Join the world's most respected Keyline practitioner for a blend of technical & practical sessions targeted at farmers, professional land managers, consultants, permaculture designers, earthmovers and anyone with an interest in regenerative land management and soil creation. Hold that precious water in the land and build topsoil rapidly while learning the principles and techniques of Keyline Design.

OCTOBER / NOVEMBER 2010

TAS (4-6 Oct) **VIC** (11-13 Oct) **NSW** (18-20 Oct)
QLD (25-27 Oct) **NZ** (5-7 Nov)

**LOCAL FARMS
& COMMUNITY**
JOEL SALATIN

Joel Salatin is a masterful speaker whose humour and positive energy guarantees a rewarding experience. This workshop will explore Polyface's production of pastured poultry (eggs, broilers, turkeys), salad bar beef, pigatorator pork, forage-based rabbits & forestry products through to the relationship marketing that has made Polyface Farm the internationally recognised, and strictly local farm it is today.
